*Branded and Unbranded Video
Options for MLS if needed

*Please contact if you wish to film
a house > 3,000 sq feet, a housing
community, amenities, etc.

*I do ask that an agent or broker be present during the shoot. Depending on square footage I will be able to give a time estimate. I prefer we schedule the shoot at least a week before the property is officially listed to guarantee your video be ready and to optimize your ROI. As always, contact me if there are any special circumstances.
